Field Services Offered

- ▶ ISN certified
- ▶ Trouble shooting and repair service 24/7
- ▶ Emergency repairs available 24/7: call 717-554-4265
- ▶ 24/7 shut-down support
- ▶ Stainless steel sanitary piping welding and install
- ▶ Ingredient system installs
- ▶ AL6XN pipe welding and install
- ▶ Orbital welding
- ▶ Certified stainless steel schedule pipe welding
- ▶ Industrial and utility piping
- ▶ Certified carbon steel schedule pipe welding
- ▶ Steam piping installs, repairs, valve replacements
- ▶ Steam system installation and maintenance
- ▶ Copper piping installation: pro press, solder, and sil fos
- ▶ PVC piping install
- ▶ Thread piping
- ▶ Victaulic piping
- ▶ George Fisher jacketed piping install
- ▶ Structural steel welding and fabricating
- ▶ National Board R Stamp welding repairs
- ▶ U stamp vessel fabricating
- ▶ Millwright services
- ▶ Heat exchanger services
- ▶ Sanitary valve rebuilding
- ▶ Conveyor line installation, modifications and maintenance
- ▶ Portable aluminum, carbon steel, and stainless steel welding and cutting
- ▶ OSHA safety systems stairs, platforms, railings, catwalks, guarding
- ▶ Project management
- ▶ Field estimating
- ▶ Field repair evaluations
- ▶ Reverse engineering

Shop Services

- ▶ Custom fabricating
- ▶ Custom fabricated portable weld test facilities and equipment
- ▶ Coupon cutters and benders
- ▶ Fiber laser cutting
- ▶ Water jet cutting
- ▶ High definition plasma cutting
- ▶ CNC flame cutting
- ▶ Accupress CNC 250-ton press brake
- ▶ Rolling 8", 4" and 2" rolls 28ga to 1" plates
- ▶ 7" x 6' CNC roll
- ▶ Complete ingredient and chemical skids
- ▶ Complete Clean-in-Place (CIP) skids
- ▶ Fabrication of OSHA ladders, stairs, platforms, railings, catwalks, guarding
- ▶ Fabrication of cones, transition chutes, fittings, flanges
- ▶ Custom manifolds
- ▶ Custom flow diverter panels
- ▶ Custom tanks
- ▶ Custom sanitary food tanks
- ▶ Machining, turning, milling, polishing -- CNC and manual applications
- ▶ Equipment repairs
- ▶ Custom metal signs
- ▶ Plastic cutting and fabrication (UHMW, polycarbonate, etc.)
- ▶ Reverse engineering
- ▶ Fabrication of drip pans, hoods, conveyor covers
- ▶ Fabrication of jacketed piping and fittings
- ▶ Valve rebuilding
- ▶ Custom machine fabrication
- ▶ Stainless steel forklift-rated floor drains and grates

Office and Technical Services

- ▶ Auto CAD drawings
- ▶ SolidWorks 3D CAD drawings
- ▶ Piping system designs
- ▶ Estimating
- ▶ Project management
- ▶ Metal product design
- ▶ 24/7 support

Additional Services Provided

- ▶ Process design build
- ▶ Control specialist/ programmer
- ▶ Cranes
- ▶ Equipment sales
- ▶ Valve and fitting sales
- ▶ Engineering
- ▶ Painting / custom coatings
- ▶ Sandblasting
- ▶ Pressure washing
- ▶ Trucking
- ▶ Concrete
- ▶ Electrical
- ▶ Food sanitation chemical specialist
- ▶ Commercial roofing

Product Sales: ALL TYPES OF...

- ▶ Pipe: carbon, stainless, aluminum
- ▶ Sanitary tubing: 304, 316, and AL6XN
- ▶ Fittings: carbon, stainless steel, aluminum
- ▶ Sanitary fittings: 304, 316, and AL6XN
- ▶ Custom flow panels
- ▶ Valves
- ▶ Sheet metal: carbon, stainless steel, aluminum
- ▶ All thread products
- ▶ Sheets, bars, rounds, flats and angles
